## **THANK YOU OUR HIGHLY ESTEEMED HACFO PARTNERS**

Dear HACFO Partner, We are highly indebted from the bottom of our hearts to specially appreciate you for your relentless Kingdom service in advancing God's Kingdom in the Hausa Land and Northern Nigeria through the Hausa Christians Foundation (HACFO). Thank you immensely for standing with us all the way especially in 2023.

We thank God for His preservation and provision upon you and all that concerns you. 2023 has been our year of Stability, yet the year has been full of so many challenges. We had so many unfinished and undone projects. We encountered different devastating challenges. We went through the valley of the shadow of death, yet the Lord kept us. Sincerely if not for the Lord's mercy we would have been consumed. For sure, many are the afflictions of the righteous, but the Lord delivers them all from them.

In view of the above, we specifically write to you today to thank you, to encourage you to remain steadfast and immovable in the things of the Lord and to pray for fresh grace and unusual open doors upon you, your family, business and ministry in Jesus Name. Amen.

Thank you so much and may God continue to bless and multiply your seeds sown and increase your fruits of righteousness in Jesus Name. Amen
