# HACFO 2024 PRAYER BULLETIN

## **PREAMBLE**

The HACFO 2024 Prayer Bulletin is the Prayer Focus for the Year in View. The Year 2024 is our Year of **EMPOWERMENT**. And so, we enforce and redirect all our activities for the year 2024 to conform to God's perfect will that will result in the stability we desire as a Ministry.

The Prayer Focuses are divided into 9 sections. Our Daily prayers should cover the 9 sections of these Focuses at the end of each week. Through Prayer we align our will to God's perfect will and usher in the Reign of His Kingdom in Northern Nigeria through HACFO.

Below are the 9 Sections of the Prayer focus for the Year 2024:

3. The LORD is drawing our attention to His Divine Plans for the Hausa Christians Foundation in 2024 as our Year of Stability (Isaiah 33:5-6, Proverbs 24:3-6, 1 Corinthians 15:58). **Pray for the Perfect Will of God to be done in HACFO in**

**2024 and that we shall experience stability on every side in 2024 and beyond.**

4. We have been struggling with financial challenges right from the inception of HACFO; so many of our goals and activities were not achieved due to insufficient finances. **Pray that in 2024 HACFO shall experience an extraordinary financial breakthrough and Stability. Pray for God to raise His People to Partner with us from around the World for the Works at hand**
5. We have human forces that have become tools in the hands of the enemy who move around to discredit and sabotage our efforts. The persecutions, harassments and attacks of all forms are increasing. **Pray for the Grace for continuity, boldness, focus and vigilance upon all the HACFO Team Members.**
6. Movement to our various mission fields is becoming difficult due to lack of vehicle. We are in daring need of a mission truck and a bus. **Pray for Divine Provision.**
7. Partnership drive is a necessity, since the mission work is run solely from the support of our partners. The harvest is ripe and plentiful but the labourers and resources are very limited. We could not do much due to lack of finance. **Pray for God to bless our Partners more and to also raise more Partners for this work.**
8. HACFO has been operating from a rented facility since its inception. At the Moment we Have 1<sup>st</sup> December, 2024 to buy the Facility we are renting as our Mision House or Vacate. **As we trust God for the Resources to buy Mission House and also more lands for our activities, Pray for God to open more doors of His Blessings to us all. Pray for God to grant us a huge success in this Project.**
9. We have 15 committed staff who are mostly working with little or no allowance (Transport and Feeding). As they have abandoned their personal works to serve God through HACFO, we are trusting God to encouragement them with at least a basic salary to meet their basic needs. **Pray for More Open Doors to Support our Staff Welfare.**
10. God is raising more people for HACFO and plans for trainings and further preparation of strategic propagation of the Gospel of Christ is in earnest. **Pray for the boldness upon the HACFO Team to preach the Gospel of Jesus Christ in the Hausa Land and be accompanied with Signs and wonders**

12. The mandate of the Hausa Christians Foundation (HACFO) is a threat to the Kingdom of Darkness and so we are no ignorant of the many devices of the enemy targeted at us from many angles. **Pray for the Hausa Christians Foundation to remain committed, focused and obedient to the leading of the Holy Spirit always.**

## 2) PRAYERS FOR THE HAUSA LAND

13. Indigenous Ministers/Pastors are retiring every year but there are very few or no replacements due to fear of the unknown and poor welfare treatment of Ministers in the Hausa Land. **Pray for God to send more labourers into the Harvest Field of the entire Hausa Land and to raise more Passionate Hausa Ministers and missionaries who will take over from those who have retired. Pray for the Boldness to preach the Gospel in the Hausa land.**
14. There is a thick darkness hovering upon the Hausa Land. Ignorance, fear, slavery and evil practices have taken hold of the affairs of the Hausa Land. **Pray for the salvation of the entire Hausa land that the thick veil of Darkness to be lifted up from the entire Hausa Land of Nigeria; and the light of the Glorious Gospel of Christ to Shine on the entire Hausa Land and for the supernatural revelation of the saving Power of Christ regardless of the human boundaries set in place.**
15. The System of governance put in place in the Hausa land is pro-Islam and Anti-Christian. The government of the day is supporting Islam to ban Christian activities in many places as against what is enshrined in the Constitution of Nigeria. Many Muslims and other unbelievers want to come to Christ but the fear of the severe punishment is preventing them. More so, the lives of the few Christians living amidst them are in danger. **Pray for God to touch the heart of the appropriate authorities of the Northern States to give the Christians the freedom to practice their faith as their fundamental human right.**
16. The intensity of the Persecution on the Northern Christians is escalating by the day, **Pray for the Northern Christians especially the Hausa Christians to remain committed to Christ and finish this race strong.**
17. Thousands of lives are perishing daily in the Hausa Land without coming to Christ, **Pray for the salvation of our Brothers and Sisters who are yet to come to the love and saving power of Jesus Christ. Jesus also died for them! Pray for the Lord of the harvest to send more labourers into the Hausa land.**
18. The Church of Christ in the Hausa Land is suffering so many setbacks due to persecution, ungodly doctrinal and traditional practices in the Church, disunity and loss of focus, **Pray for a strange fire of revival in the church of Christ in Northern Nigeria. Pray for the perfect will of God to be done in the Hausa land as it is done in Heaven.**
19. Pray for the restoration of the peace and securities of our communities. The rates of banditry and kidnappings have become the order of the day and have drastically affected the economic strength of the people with large sums of money being paid out for ransom.
20. The economy of the people in in the Hausa Land is built on farming pray that those who were able to farm will experience a bumper harvest and they will harvest in peace.
21. Pray for the Christians to remain strong and faithful to the end no matter the hardship and persecution. The challenges on security have made many to return to traditional religious practices, witchcraft and the use of charms for protection.

22. Pray for the Christians in Kafur, that the Lord should grant them access to all that rightly belong to them. The Hausa Christian resident at Kafur town demand prayer due to the ongoing plan of denying their well to do members the right of acquiring two plots of land in a row due to the fear of raising a church structure or any other religious building that has to do with Christ.
23. We should pray for certain family in Gidan Mai-Tsaro who lost all of their inheritance and belongings to the extent that they are threatening to send them packing just because they chose to be Christian.
24. For God to protect and preserve our girls and women against those who have them as their main target.
